FULLY SUPPORTED

Showcasing what is best about supported road cycling and the WA outback

The accommodation blends a mixture of outback hospitality at local indigenous sites and real bush camping

All camping sites are erected and provided, you will not be roughing it

All breakfast, lunch and evening meals are provided

CYCLING PROGRAM

We are raising funds for community cycling programs in Laverton run by local individuals

Fundraising goes to the employment, training, and maintenance of a sustained cycling program in Laverton

The program ties into school attendance, health/wellbeing, community cohesion for youths and the community as a whole
