

You are invited to an exclusive ride with the elite Veris Racing Team, who will be visiting Melbourne to compete in the 102<sup>nd</sup> Melbourne to Warrnambool Cycling Classic. The 'Warnie' is approximately 280kms in length and the Southern Hemisphere's oldest one-day race.

VPELA in partnership with HWL Ebsworth Lawyers, Bosco Jonson and Veris are delighted to invite you to ride with the Team and then join them for breakfast. This will include the opportunity to hear about their challenges, tactics, strategies to win at the highest level and what is required to be successful at the 'Warnie'.

The Veris Racing Team consists of female and male scholarship holders and elite cyclists. The Team races in National Road Series and it is a key part of the pathways to join the Australian Olympic and international professional cycling teams.

The VPELA ride is fully supported by a SAG Wagon and will be broken into several groups to accommodate varying participant abilities. It will circuit Albert Park at a social pace to allow everyone to ride with the Team members and to network. Every participant will receive a riding cap and the chance to win a full set of the Veris Racing cycling kit. Places are limited, so register early, to avoid missing out!

Date: Thursday 12 October 2017

Details: Bike ride 7am - 8am departing from The Carousel, 22 Aughtie Drive, Albert Park  
Breakfast to follow between 8am - 9.30am (non-cyclist are welcome)
